FAQ's What you need to know about hiring our venue.

What do you have available to hire & prices?

Our School grounds provide a number of locations for setting up marquees and/or tepees. With the choice of locations in the grounds, we can accommodate a variety of numbers and sizes

Do you have list of suppliers?

You are welcome to use your suppliers of choice but if you need a little help then please feel free to download our supplier's list.

Why do you only offer dates outside Term Time?

We are a busy boarding school and so venue hire is only available out of school term time so as to cause minimum disruption to the school.

When can I come on site to decorate / set up?

You are welcome to come on site 48/24 hours before your event subject to agreement from our venue hire team.

Will I need to take out Public Liability Insurance?

As a school we have our own Public Liability Insurance. Any event involving a third party company, e.g. a Marquee Hire Company will need to be covered by their own Public Liability Insurance. We would also recommend that you take out your own Public Liability Insurance, which can be provided for a small cost of between £50 – £60. We are able to provide details of companies who can sell this.

I see that you no longer offer Wedding Ceremonies.

Am I able to have a Wedding Blessing Instead?

Yes. Providing you have a legal marriage certificate then many couples will have their Wedding Blessing at our venue along with their Reception afterwards. Many couples, in fact, treat this as their wedding day!

Apart from Wedding Receptions, what other functions can you provide for?

We are able to cater for a variety of celebrations and events and can be fairly flexible depending on what it is that you require. Previous venue hire has been used for birthdays, anniversaries, corporate events, prom parties, Christmas parties as well as wedding receptions and christenings.
