## Mobile Phone/Tablet Policy – Code of conduct

We recognise that mobile phones are part of everyday life for many children and that they can play an important role in helping pupils to feel safe and secure. However, we also recognise that they can prove a distraction in school and can provide a means of bullying or intimidating others. Therefore:-

### Day Pupils:

- Day pupils are not permitted to have mobile phones at school or on trips.
- Year 9 and above are allowed to bring a mobile phone to school but they must leave it, turned off, at the School Office and collect it at the end of the school day. Whilst we will endeavour to look after these phones in safe storage the school takes no responsibility for any accidental loss or damage to mobile phones brought into school.
- If in the rare event of a Year 8 or below parent wishing for his/her child to bring a mobile phone to school to contact the parent after school:- The parent must discuss the issue first with the Headteacher and receive approval. If agreed, the phone must be handed into the School Office switched off first thing in the morning and collected from the office by the child at home time (the phone is left at the owner's own risk).
- Mobile phones brought to school without permission will be confiscated and returned at the end of the day.
- Unauthorised use of mobile phone during the school day will be deemed to be blue behaviour, escalating to red for subsequent infringements.

### Boarders:

We are committed to the well-being and safety of all our pupils and, in accordance with the Ofsted recommendation for boarding that schools facilitate boarders contacting their parents, we have now decided that it is appropriate for mobile phones to be used under set circumstances by pupils.

The use of mobile phones raises important issues of e-safety and safeguarding. These include bullying via mobile phone, inappropriate use of camera-phone, inappropriate use of internet, interactive and audio-visual applications. Our intention is therefore that any phone brought in should be used only for contact with adult family members, either vocally or by text. To ensure the safeguarding of your child and the other children, the phone's content may be checked from time to time to ensure that no inappropriate activities have taken place. Pupils are advised to be careful about giving out their mobile phone number, and to tell those who have their number never to pass it on. Phones will be handed out to those boarders that request them at the start of the evening once they are back at the Boarding House. Phones will be handed back in when requested and kept with the boarding staff for safekeeping. This will be the only time during the day that boarders will have their phones. Boarders who are with us at the weekends are allowed their phones for one hour in the morning and one hour in the evening. Phones are not allowed to be taken into school during the day or on school trips. If they are they will be confiscated.

Sanctions for misuse will be the same as for the Day pupils listed above. All phones MUST be named.

I give permission for my son / daughter ..... to use their mobile phone at the designated times.

The phone/Tablet they will be handing in will be: (Please describe the make and colour)

.....

Telephone number of mobile: .....

## **Welcome letter from BOSS (Boundary Oak School Society)**

Dear New Parents and Guardians

It gives me great pleasure to welcome you to Boundary Oak, and we really hope that your child/ren enjoys the school as much as my own have over their time here. I would like to introduce you to the Boundary Oak School Society (BOSS), which runs independently from the school but in close relationship.

The role of BOSS is to help parents and guardians make new friends and connections whilst fundraising for the benefit of our children and local charities. The Society is run by an elected committee and any parent or guardian is welcome and encouraged to put their name forward. As a parent you are automatically an eligible member of the school society.

BOSS puts on many stunning events during the year to rival many larger schools and organisations. The events are both professionally run and at the same time incredibly good fun. We have hosted over the past year our annual Bonfire Night, Burn's Night Supper, Halloween Party, Garden Party and Summer Ball to mention a few. We also host smaller events like quiz nights, social outings and teddy bear picnics.

Over the past years we have donated many gifts to the school, which has in turn enhanced our own children's education and experience here at Boundary Oak.

If you would like to learn more about BOSS or just want to have an opportunity to meet some new faces, please come along to one of our meetings which are well publicised in the newsletter.

Yours faithfully,

Melissa Wybourne  
BOSS Chairman

- Asthma reliever inhalers are kept either with the child or in the child's classroom with immediate access. An additional "spare" inhaler may be left at school.
- If your child carries an EpiPen, please complete the Allergies Alert sheet available from the office. Pupils that are prescribed EpiPens (or equivalent) keep their pens with them in their classroom and a spare is kept in the office.
- We request that any prescribed medicine which must be administered during the day is handed to the office staff along with completion of the consent form. These medicines must be in the original packaging with the pharmacy label present.
