Scholarship Assessment, Week commencing	Monday 25 <sup>th</sup> November 2024

The following should be noted before completing the application form:

### Scholarship notes

1. Whilst not a formal requirement, there is an expectation that Scholars will remain in the school for the entirety of their education. Once a pupil has been awarded a scholarship, it will be reviewed annually. Continuity of the Scholarship is dependent on a successful review.
2. Applications for Scholarships from pupils already in the School, whether at Prep or Senior School, will be considered on the basis of recommendations from the Head of Department, Head of Division or Tutor.
3. Scholarship decisions are made by the Headmistress. These decisions are made after consultation with Heads of Division, Heads of Department, Scholarship Pathway Heads.

### Bursarial Support

1. Boundary Oak School is committed to widening access to its education. We believe in offering bursarial support for pupils who have significant potential and whom we believe would benefit from and thrive in a Boundary Oak School education.
2. Bursarial support is available for young people who meet the criteria for a Scholarship but whose financial circumstances prevent them from taking up their place at Boundary Oak School.
3. It is important that our bursarial support is given where it is most needed. Parents whose financial circumstances mean they cannot afford the fees, should complete a Financial Circumstances form and return it to the Head. The Head will discuss each individual situation before making a decision.
